RESOLUTION T-16923

R E S O L U T I O N

**Resolution T-16923. Request for Reinstatement of Certificate
of Public Convenience and Necessity Held by Bulletins
(U-5473-C) Due to Administrative Error**

Summary

This Executive Director Action Resolution reinstates the Certificate of Public Convenience and Necessity (CPCN) held by Bulletins (U-5473-C). It was removed through an administrative error.

Background

Bulletins (U-5473-C) was originally licensed as an interexchange carrier by D.95-05-036.

Bulletins did not submit its 2003 annual report in a timely manner and did not respond to the second notice mailed to delinquent carriers on October 1, 2004. We assumed that meant that the company had ceased providing service; therefore, we involuntarily revoked its CPCN in Resolution T-16900 (December 2, 2004).

On February 2, 2005, the company telephoned the Commission and said that the revocation was an error. Bulletins is actively serving customers and wants to file its 2003 annual report to fulfill its statutory requirements.

Discussion

TD recommends that the CPCN be reinstated. Although the lack of response to repeated attempts to contact the company implied that revocation was needed, it is now clear that this was not the company's intent. Involuntary revocation was, therefore, not appropriate.

Findings

1. Bulletins received its original authority to operate as an interexchange carrier in D.95-05-036, dated May 24, 1995.
2. The interexchange certificate was revoked by administrative error.
3. The interexchange certificate should be reinstated.

THEREFORE, IT IS ORDERED that:

1. Bulletins' interexchange Certificate of Public Convenience and Necessity is reinstated.
2. Utility Identification Number U-5473-C is reissued to the company.

This Resolution is effective today.

I hereby certify that this Resolution was adopted by Executive Action Resolution on February 8, 2005.
